

# WOODLAND STEWARDS

A Regional Extension Program for Landowners

## Getting to Know Your Woodlands: An Introduction for Beginners

Southern Region Extension Forestry presents Woodland Stewards program. This course will empower woodland owners to promote environmental and forest health through increased awareness, experience and access to resources. This program consist of four live webinar sessions followed by a final local session organized by site host. The sessions, led by Extension Forestry Specialists from across the Southeast, will cover: getting to know your woodlands, managing your woodlands, identifying woodland threats, wildlife and woodlands and more. There will be a chance for interaction with the instructors as well as a knowledgeable Clemson Extension Forestry and Wildlife Agent will be hosting the local sites.

**Dates:**  
Thursday Evenings  
February 21- March 14  
(Final date to be set locally)

**Time:**  
7 to 9pm

**Location:**  
Course will be held at various locations across the state.

**Cost:**  
\$50 per person
